

AN EPICUREAN THANKSGIVING

HOLIDAY COMFORT FROM REGIONALLY INSPIRED RECIPES

Whether you're just visiting or home for the holidays, Tampa's only 4-Diamond, food-focused culinary resort, the Epicurean, has devised an appealing solution for the entire family. In lieu of its regular menu, Élevage will be featuring four regional Thanksgiving Day Dinners channeling muses from the Traditional, Cajun, Wine Country, and soulful South. Two-time James Beard Foundation Best Chef South semi-finalist, Chad Johnson, has also crafted apropos sides and desserts to properly elevate the experience. And, yes, we are catering to the kids 12 and under, too.

This year rethink the massive preparation, endless hours of clean-up and enormous anxiety associated with "the feast."

Prepare to Awaken Appetites Unknown at the Epicurean this Thanksgiving.

Thanksgiving Day (Thursday, November 27th)
Hours: 2:00pm – 10:00pm
